- Encourage growth and development of M/WBEs
- Not discriminate on the basis of race, color, religion, national origin, or sex in the award and performance of contracts

Business Inclusion and Development

BACKGROUND

- In 2001, the City commissioned Mason Tillman to conduct an Availability and Disparity study
 - Reviewed contract expenditure data from 1997 to 2000
 - Found disparity in prime contracting in all categories for M/WBEs
 - Found disparity in construction sub-contracting for African American and Asian American only
 - Revenue contracts not included in the study
- In 2003, the City commissioned Mason Tillman to conduct a “But For” study
 - Determined that without M/WBE goals participation would be lower
- In 2004, Council renewed the Good Faith Effort (GFE) program and adopted the GFE plan
